

**ARTISTIC GENERATION
DANCE COMPLEX
SPONSOR PARTNERSHIP**

OWNERS: GRACIE WILSON & MELISSA HALL

Artistic Generation Dance Complex a dance studio finishing out season two with students ranging from ages 4-18 from the Tennessee Valley, East Tennessee, and the North Georgia area. We have created commercial, competitive, and collegiate dancers while offering a custom, individualized experience for every dancer. Our main priority is to always provide a positive environment where all children can grow at a healthy pace and explore their artistry within technical training. We are reaching out to our local community for Sponsor Partnership opportunities to help with our newest adventure of moving into our NEW, FOREVER home! We are so honored to be able to provide our dancers with a permanent location in Chattanooga, TN as we have been subleasing spacing for the past two years. We are in need of help to purchase a special dance floor to protect our dancers from long term impact injuries. This flooring will provide protection to prolong their dancing careers.

ArtGEN would like to extend all sponsoring partnerships by giving back 10% of all funds raised to Habitat for Humanity of Greater Chattanooga Area as we are so grateful for a chance to help others.

We have three different levels of sponsorship, but any amount is greatly appreciated to share on our social media as well as all of our events.
